

ADMISSION CRITERIA FOR LEARNERS

1. Preference Criteria and Spiritual Standing

- 1.1 Preference will first be given to learners who were registered at the school the previous year.
- 1.2 Second, to learners whose siblings are registered at the school.
- 1.3 In all the above cases, consideration will first be given to learners whose parents are members of New Creation Family Church and then to learners whose parents are members of related churches where Jesus Christ is Lord, provided
 - 1.3.1 that at least one parent of the learner be a committed, 'born again' Christian and be active in a local church (church involvement is required for continued enrolment);
 - 1.3.2 that a learner of thirteen years or older wants to be taught and disciplined in The King's School environment and agrees to live according to the school's expectations; and
 - 1.3.3 that a letter of commendation is received from their pastor.*

- 3.3 A learner must be seen to benefit from the teaching of the school. Learners may be admitted for a probation period, subject to academic progress and character growth.
- 3.4 Parents should be aware that there may be an additional responsibility to find and pay for any extra tuition arising from academic "gaps".

4. Barriers to learning

As The King's School seeks to reflect the demographics of the community it serves it expects to include a percentage (5-10%) of learners who experience barriers to learning. While the school endeavours to provide support to facilitate access and participation, it is acknowledged that it cannot provide the specialised support which would be found in "special" schools. Therefore, the school sets a limit on the number of learners who experience barriers to learning who can be admitted into a grade.

5. Language Proficiency

- 5.1 As English is the language of instruction, a learner must have a standard command of the English language appropriate to each level.
- 5.2 If a learner qualifies for immigrant status, parents are responsible to find and pay for tuition in a foreign language or alternative subject (except for grade 9).

6. Christian Conduct and Obligation

- 6.1 Parents must accept in writing the Statement of Co-operation and policy and rules for learners.
- 6.2 Parents must weigh up and acknowledge the obligations involved in registering their child in a Christian school.

7. Financial Obligation

- 7.1 No learner will be admitted until the person who wishes to register the child has completed an undertaking to pay school fees and other financial obligations such as the booking deposit and registration fee, with promptness and integrity. School fees are payable in advance over an eleven month period (January to November).
- 7.2 The King's School Robin Hills is a private school and relies largely on the parents' efforts to fund capital development.
- 7.3 The King's School will not accept learners from families who owe money to other schools.
- 7.4 A credit check will be performed before an interview is granted.

- 8.2 Fulfilment of all the above does not guarantee admission into the school.
